Midfield. Brainy, morbid, budding elitist, thoughtful. Seventeen. #11 has a true interest in the world outside her suburban bubble and grapples with questions of morality. She is studious in her interests.

(Some of the team are discussing a former leader of the Khmer Rouge during the Cambodian genocide.)

- #11. ok but
imagine if you did something horrible today
but you didn't think it was horrible

- #11. let me finish
it was horrible
it was an an atrocity
right?
- #13. yeah it was
- #11. but you didn't think it was an atrocity
you thought you were like saving your country
like destroying the enemy to save your own people
- #2. but the enemy WAS your own people
- #25. yeah
- #11. right
I know that
but like
what if
after you did that
you just like lived your life
like went to college and got a job and got married and had kids and
grandkids and
- #13. woah
- #11. and then
when you were 90 and like on the verge of death with like uh
emphysema That's when an INTERPOL guy knocks on your door
and is like
we found you
we know what you did
and guess what?
you're going to prison

Defense. Captain. Classic (ex.) coach's daughter. Seventeen. A leader. Not straight. Determined to keep the team in line, and expects a certain excellence and decorum on the field. Tentatively shares her budding relationship.

(After an embarrassing loss last week, and pushback from starting striker #7, #25 has been working the team hard. She knows a college recruiter is watching this game.)

#8 I love coach Patrick

#14 we should like text him that orange slice pic as like a “get-well”thing

#7 for him or his mom?

#8 It’s so amazing he moved home

#14 what’s wrong with her again?

#11 I think she has terminal breast cancer? Yeah like stage 4 right?

#8 I hope he’s back by March
I do not want Coach Creep for travel team

#13 you realize that means you want his mom to croak

#8 what?

#13 cause that's the only way he’s moving back. Is if his mom you know

#2 that’s an awful thing to say

#13 I mean, would you rather have Coach patrick’s mom die from breast cancer
OR
have Neil for travel team?

#8 ...um

#2 about what

#00 about like
like people scoring on me
missing the ball
seeing it pass through my fingers or like penalty kicks
or like corner kicks
or a shoot-out even
or just like losing
losing the game
it's not
I visualize a lot
I'm pretty much always visualizing
during warm-ups
at night when I can't sleep
when I noodle around on the sax but
it doesn't seem so . . . scary
right now
I guess

or maybe I think we're gonna forfeit
so it just hasn't hit me yet

. . . .
um so how are you guys?

SOCCKER MOM

Soccer Mom's daughter #14 was killed last week in a car accident. This is the first and last time we see an adult in the play.

~~#2~~

~~oh~~

guys?

they all look off and fall silent

*SOCCKER MOM walks on the field
she is really the nicest mom but manic with grief*

SOCCKER MOM

hi!

hi gals!

a small collective hi

wow
you look so
wow!
my god!
it's you guys!
it's our gals!
you're not getting any younger
you know?
you all look so
and it's just
it is so good to see you
just
just
just
like so good

*a pause
she lets out a sharp laugh*

I said
ha
listen to me
ha
"like"
ha
"like" "like" "like"
in our house we have a quarter jar
Alex I know you've seen it
a quarter for every "like"
and for "um" every "um"

and the oh the what do you
the going up? at the end? of the sentence?
what is that
and the (*imitates*) baby talk the little
but
they hate it
the girls
they just hate it
and I've tried to explain
if you're saying something is "like" something
then it isn't the same
it's just "like" it
and if you say that
and you hem and you haw and you um and you make everything?
a question?
then no matter how you know awesome
how brilliant your thought is
no one will ever take you seriously
because you sound like an idiot
and once I said
I was mad
I was really
she didn't do the dishes or was texting at dinner or uh
(*trying to remember*) I don't uh
I don't

funny

she is lost in thought then sudden and snapping

"MEGAN you say "LIKE" because you don't know ANYTHING about ANYTHING"
I said
"ANYTHING about ANY"
I was worked up
I was really
and
Megan said to me
she says
"like you do??"
"like YOU DO??"

and I

do I?
do I know anything about?
